

PORTRAIT OF VOICES LIVING AMONG US

Områdefornyelse Bispeengen, 2025

A participatory art project in public space. Through workshops with local residents, the work “Portrait of Voices Living Among Us” was created. Participants contributed a piece of wood, which they cut to shape and donated to the artwork.

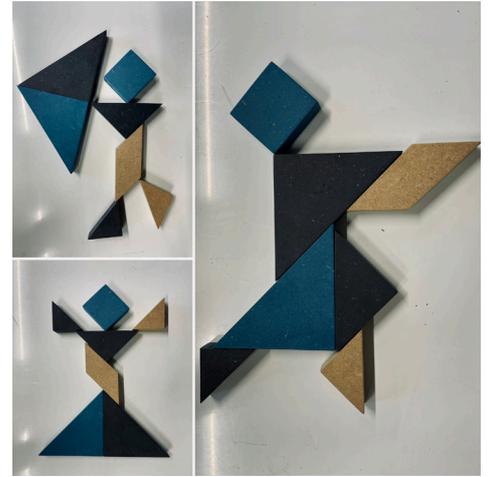

BUILD, CREATE AND PLAY

Copenhagen Municipality and Sommer i Lejre, 2025

A series of workshops in which children and adults explored form and materials through play, inspired by the Chinese puzzle “Tangram.”

THE COMMUNITY TREE

Mit Kvarter og 3B Folehaven, 2025

A co-created artwork in Folehaven, Valby. Through weekly workshops, residents were invited to work with wood and artistic decoration in an informal, low-commitment setting. The result was the piece “The Community Tree,” which now hangs prominently in the shopping square.
